At least until that point when the game releases on Early Access. Jul 9, 2018 From the time this game started I remember all the great action fights with the "Hitman". This game is incredible!!! Sep 11, 2018 It is a beautiful game with good production value, great music and excellent design. Well worth the money. Sep 13, 2018 I paid \$17.50 for this game, but what I got was a stinky, outdated, pay-to-play game. I can't believe I paid for this! And the "Luce" which we bought for \$9 (even after having an extra \$5.00 taken out of our Paypal account) is not even in the game. (It was more expensive than War of the Gods) I'm not really sorry to not have won it, because I expected this type of thing to happen for the first DLC. To be so short-changed is outrageous!
